RE: Aftercare

Dear Parents,

After much consideration we must inform you that there will be no After-care program offered for the 2016-2017 school year. While we know this will be a disappointment to many of you, we are confident that at this time it is the right decision for the school. Our teachers are already here serving as an answer to God's call on their lives and making less serving here than they would elsewhere. The after school program simply stretches our limited staff beyond our abilities at this time. We hope to someday have a grant from a program like Teach America or Americorp for future years. If we had funding solely for this program that would allow us to properly staff it and create a thriving program, then we would love reinstating it.

Again, we apologize for this inconvenience and pray that you receive this with understanding in your hearts. We will put all of our efforts on offering a top quality 8 a.m. - 3 p.m. academic school program for all of our students. We look forward to serving your children and your family with another excellent school year for 2016-2017! The new year is shaping up to be our absolute best. Please remember to pray for the new year, our teachers and our students. We are so thankful to partner with you to serve Christ in this special way.
