IV. ADDITIONAL INFORMATION

Please use the space provided below to elaborate on your request for this scholarship.

Please read carefully:

A ABOUT THE LEGACY SCHOLARSHIP:

Eva Wood was an educator and a devoted follower of Christ who through the years opened doors for many children to have wonderful opportunities. This scholarship is in her honor.

B OUR COMMITMENT:

It is our commitment that a shortage or lack of finances will NEVER stop a child from attending Legacy Academy. If the only thing keeping your child from attending Legacy is a financial obstacle we are committed to helping you overcome this. We are determined to steward our finances well and live sacrificially so that this opportunity is afforded to all of our students. We want to partner with you to make this dream a reality for your child. Parents are asked to also be sacrificial and find a way to participate in the financial cost of this opportunity.

C HOW THE SCHOLARSHIP WORKS:

The scholarship is awarded one school year at a time. After making application you will be contacted for a scholarship interview. Scholarships are awarded in 10% increments. A child could receive a 25% discount, an 80% scholarship or any amount in between. We ask families to do all they can, allowing us to help as many students as possible. Ask for the amount that is needed for your child and your particular situation. After the interview we will contact you by mail with a scholarship decision letter.

I have read the above and answered every question honestly and would like to make application to the Legacy Scholarship at Legacy Academy.
